**bijzonderheden:** Not the best i had but the chassis was very clean and could not let this one go, this truck is a good base for a restauration., In general the car has its first paint, some spots are repainted., With the hydraulic winch you can tow everyone out., Engine is running very wel and starts directly, the 5 speed gearbox is very accurate., One difflocker on the rearaxle, high and low gear., if you have more questions feel free to ask, i would be glad to answer your questions., with kind regards Derk-Jan Veneklaas G-Zuna.NL
